PRODUCT DESCRIPTION

GOQii Smart Vital Plus is a bigger and better combination of a health device + fitness tracker on your wrist with enhanced features to monitor your activities, vitals, sleep, all in a sleek, stylish package that doesn't look out of place even on slim wrists. It also measures SpO2,

Heart Rate Variability, Body Temperature, Blood Pressure music control, multiple custom watch faces, find my phone, stopwatch, timer, raise to wake, inactivity alarms and IP68 Dust & Water Resistant. GOQii Smart Vital Plus is a CDSCO registered health tracker on your wrist with enhanced features to monitor your vitals & track activities along with ISO certified health services on the GOQii App.

Measure SPO2 levels

Monitor the blood oxygen saturation levels in your body with the latest in-built tech for high precision SpO2 readings to get an early indication of low blood oxygen levels

Measures Body Temperature

Inbuilt temperature display and thermal sensors to track body temperature and detect early signs of infectious diseases

Real Time Heart Rate Monitoring

Cutting edge 24*7 Heart Rate monitor utilizes AI-driven algorithms for high-precision heart rate readings for non-disruptive heart rate monitoring throughout the day and night

Blood Pressure Monitor

Get accurate readings of your Blood Pressure by measuring systolic and diastolic blood pressure to help you get medical assistance when necessary

Multiple Exercise Modes

Get active with multiple exercise & activity modes by tracking precise step counting algorithms, real time data display & in-depth analysis on a full HD colour screen.

Smart Notifications

Get notified on messages, calls, notifications from other apps and set timely updates, alarms & reminders.

1.57 Inch Color Display

A 1.57" full touch HD color display with great resolution that makes it easier to read all your data and keep track of your activities without straining your eyes!

Personalize Watch Faces

Explore the new you and don't be limited to what your watch looks like. With multiple options to choose from, the GOQii Smart Vital Plus has a look that fits every occasion.

Music and Phone Finder

Go truly hands-free and have the freedom to workout with basic music control functions on the GOQii Smart Vital Plus. That's not all! With built in tracking technology, you can find your phone, just in case it is out of sight!

GOQii Ecosystem

GOQii ecosystem combines a Fitness Tracker, an App, Care Team including a Personal Coach, Experts and a Doctor. Through Karma, GOQii enables you to walk, earn and donate karma points to social causes. Sync your GOQii Smart Vital to the GOQii app and explore the new normal with complete access to your health and activity data. You can also change settings as per your preference via the app.

Coaches

GOQii gives you the option to choose your nutritionist, personal trainer and wellness expert to motivate you and support you in the right steps towards your well-being.

Doctors

This integrated service connects you with a board-certified general practitioner who can provide preventive consultations over emails and calls.

GOQii Play

This is an interactive live-video platform where you can get inputs from fitness experts as they talk about lifestyle tips and perform fitness workouts.
