Item No.9

The present Authorized Capital of the Bank is ₹ 100 crores and the Issued and Paid up Capital is ₹ 73.96 crores divided into 73,95,84,913 fully paid equity shares of Re.1/- each. The net worth of the Bank at the end of Financial Year 2021-22 stood at ₹ 6,549.75 crores.

As per statutory guidelines, the special resolution has a validity period of 365 days and that if this agenda is approved by the members by way of a special resolution, practically the Bank can raise funds through QIP at shorter notice as a matter of operational convenience. It is in this context, the Bank has been seeking shareholders approval with an enabling resolution to go for QIP issue almost every year.

The resolution proposed is an enabling resolution and the detailed terms and conditions of the issue of the Securities, including the exact price, proportion and timing of the issue of the Securities, and the number of tranches in which such issue be undertaken will be decided by the Board in consultation with lead managers, advisors and such other authorities and agencies as may be required.

The proposal therefore seeks to confer upon the Board / Committee the absolute discretion to determine the terms of issue.

Though we sought shareholders approval in earlier years, we utilized it only once during July 2014 considering the capital requirements and market trend. Similarly, we now seek the members approval for QIP issue upto ₹ **500 crores (Rupees Five hundred crores only) including premium**. It will be used judiciously at appropriate time depending upon the need and opportunity available. The issue / allotment would be subject to the applicable regulatory approvals, if any.

None of the Directors and Key Managerial Personnel and their relatives are concerned or interested in this resolution.

The proposed resolution is in the best interests of the Bank and hence the Directors recommend passing of resolution set out under Item No.9 as a Special Resolution.
